About Dingwall Autos

Dingwall Autos provides high quality and reliable car services in Wavertree, Liverpool. This is a family operation and they have been providing a 'class leading' service for over 30 years.

Dingwall Autos are known for quality and value for money, the business provides a wide range of services, including MOTs along with car servicing, maintenance work and bodywork repairs on all types of cars.

Dingwall Autos began in 1975 and in June 2007 they moved premises from Wavertree High Street to Harbord Street, this new site offered room for expansion and development of their business. The business has been built up mainly on recommendations from existing customers, and they are proud of the enviable reputation they have built up.

The Services we Provide

Colin & Brian Dingwall of Dingwall Autos was one of Sue Matthews first ever client' some 30+ years ago and over the time we have provided help and advice when it is needed during the firms growth and journey. We now provide all the usual accountancy services to include; End of Year and Management Accounts plus Payroll service and cover all statutory filing as required. But it is the ongoing advice and the understanding of the business and its needs that makes the difference

Clients Comments

Working with someone for over 30 years you become more of a friend than a client and when dealing with Sue and her team that is certainly evident. They are very approachable, friendly and always keen to help. We trust Sue Matthews & Co and we know that everything is taken care of, accurately and without fuss.

Recommending Sue and the team goes without saying, 30+ years in a working relationship says it all.
